

Independent review

Human Reproductive Technology Act 1991 and Surrogacy Act 2008

An independent review of the *Human Reproductive Technology Act 1991* and the *Surrogacy Act 2008* is being conducted by Associate Professor Sonia Allan.

Submissions and comments are invited from interested parties:

1. Via email or post (see below)
2. Signed and dated, with your name/company name and address
3. Marked '**Confidential**' if you do not want your submission made public.

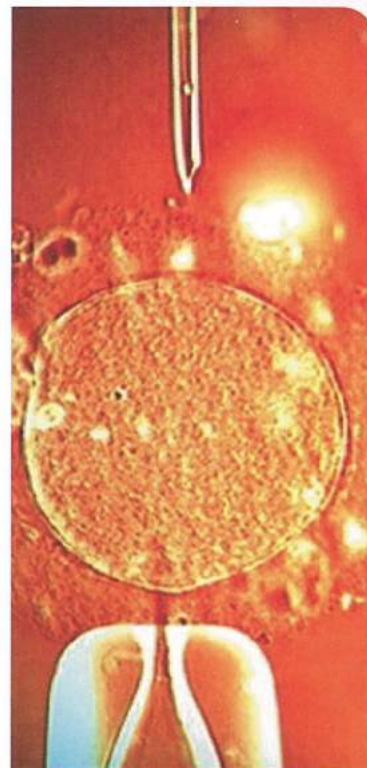

Submissions must be made by 5pm, Friday 16 March 2018 via email: HRTSR@health.wa.gov.au

Post: The Program Manager, Reproductive Technology Unit, Patient Safety & Clinical Quality, Clinical Excellence Division, Department of Health, 189 Royal Street Perth, WA 6004.

Face to face consultations will also be held in April 2018. See ww2.health.wa.gov.au/review for details.

We'd like to hear from you about:

- Access to information by donor-conceived people
- Surrogacy
- Research on human embryos, eggs and sperm
- Pre-implantation genetic diagnostic/screening
- Post-humous use of sperm and eggs
- The oversight system, data management, research, new technologies, and more.

Please read the terms of reference and how to make a submission, details here:
